

Beneath the Pavement: A Garden

WORKSHOP: Thu 27 to Sat 29 May 2010, 11am-4pm
Near Garden of Remembrance, Loughborough University, LE11 3TU

19 May 2010

Dear Workshop Participant

Beneath the Pavement: A Garden - Workshop

Thank you for your interest in the Beneath the Pavement: A Garden project and for booking onto the Workshop.

In this pack you will find more information on what to expect over the three days and where you will need to go, including a map and information on other events in the season.

A couple of things to note. On the first day (Thursday) you will need to arrive at the plot no later than **10.45am** to board the coach for the tour, which will depart promptly at 11am. Also, as you will be working outdoors and we are unable to predict the weather, a quick reminder to wear appropriate clothing and footwear.

We look forward to meeting you and hope you have an interesting and enjoyable experience. In the meantime if you have any queries please do not hesitate to contact us

With best wishes

Niki Russell

Travelling by Car

Loughborough's nearest motorway link is the M1. The campus is just two miles from Junction 23. The university is clearly signed on all the other main approach roads to Loughborough. Enter the campus using the East Entrance on Epinal Way (A6004) and register as a visitor with Security.

Car Parking

When you arrive, Security will advise you where to park and issue you with a temporary parking permit.

Travelling by Coach or Bus

Coach and bus services to and from other parts of Leicestershire and the UK operate from the centre of Loughborough.

University Shuttle Bus Service

Kinchbus Number 7 from Loughborough Railway station and brings you straight to campus and runs every 10 minutes. If using this service you will need to get off at the Village Park Bus stop. Ask the driver to advise you when you arrive.

Travelling by Rail

Regular Intercity services operate between Loughborough and other main line towns - including daily trains to and from London St Pancras International, 90 minutes away.

WORKSHOP: Thu 27 to Sat 29 May 2010, 11am-4pm
Near Garden of Remembrance, Loughborough University, LE11 3TU

Workshop Schedule

Day One – Thu 27 May, 11am-4pm **Tour**

A tour of local food producers, suppliers and distributors and other ecological projects. Meet at the plot no later **10.45am** for departure at 11am

11am	Depart from Loughborough University
11.30am	Organo Compost (tbc)
12.40pm	Community Harvest Whetstone
1.30pm	Eco House & Garden (Lunch at Eco House)
2.55pm	Carpenter's Arms
3.30pm	Shelthorpe Garden (talk given by Tolu Omideyi, Charnwood Borough Council's Sustainability Officer)
4.10pm	Return to Loughborough University

Day Two – Fri 28 May, 11am – 4pm

Programme of talks and discussions by a number of experts in the field of food production, supply and distribution and issues of sustainability. Plus, planning and design of the garden.

Speakers

Andrew Cotton (Director of Water, Engineering and Development Centre, Loughborough University) – Developing country context of sustainability in water and sanitation

Cllr Peter Lewis (Charwood Borough Council – Arts)

Prof J.S. (Pat) Heslop-Harrison (Department of Biology, University of Leicester) – Tropical crops, cereals and saffron crocus (an important spice in many parts of the world)

Prof Sarah Pink (Department of Social Sciences, Loughborough University) – Connections between the practices of gardeners and the slow food and slow city movement, plus issues around how we perceive and make places.

Bobby Smith (Voluntary Action Charnwood Gardening Project)

Tim Atkinson (Leicester Friends of the Earth Leicester)

Dr Richard Jones (Lecturer in Landscape History, University of Leicester)

Day Three – Sat 29 May, 11-4pm

Planning, design and planting of the garden.

Thursday 10 June, 8.30am – 2.00pm

Loughborough Market, Market Place/Street,
Loughborough, LE11 3EB - FREE. No booking required

Exponential Growth is a newly commissioned project that will attempt to make Loughborough's 'Culture' a global phenomenon in an experiment involving the collection, cultivation and dissemination of locally found yeast cultures, bread baking, and beer and wine brewing. *Exponential Growth* looks at how far notions of 'growth' can be taken – is it an ever expanding possibility or does it have a point of collapse?

For more information on the project and how you might be able to get involved visit the Radar website www.lboro.ac.uk/radar or www.exponentialgrowth.org
